

The background features several gingerbread cookies on a light grey surface. On the left, there are two rectangular cookies decorated with white icing to look like houses, with a chimney and window patterns. At the top, a star-shaped cookie is decorated with white dots. To its right is a large, irregularly shaped cookie decorated with white dots, resembling a Christmas tree. In the bottom right, there is a small gingerbread man cookie with white icing for eyes, a smile, and buttons. A small sprig of green pine needles is visible on the right side.
